

Annual Report of The School- 2023-24

The annual report of the school for the session 2023-24.

Sanskar Innovative School, Medchal aims to be the Center of Excellence in Education using the state-of-the-art technology, where the seeds of the all-round development of the children are sown at an early age.

Vision and Mission:

The Management had the desire to create a dynamic environment to bring out the best of every student in a holistic manner. With learnings focused on the complete development of a child, Sanskar Innovative School envisions to be the foundation for creating wise leaders rooted in their ethnicity and culture to create a better future for all.

Our mission is to achieve the holistic development of students through an excellent academic and physical environment that is conducive to learning, developing creativity, and exploration. To create healthy, strong, disciplined, bold, and competent citizens who will work for the betterment of the Nation.

Philosophy:

The school focuses not only on academics and curriculum as per NCERT and guidelines given by CBSE but also on extra-curricular and co-curricular activities. Students are trained at a very young age towards incorporating a sense of responsibility, loyalty, team spirit, moral values with healthy competitions to become graceful and dignified personalities.

This academic year began with a prayer service and all new joiners were welcomed to our school family. We have significant accomplishments in A.Y 2023-2024 with proper motivation and encouragement of the teachers.

CBSE Results March 2022-23(Class X)

The total number of students who appeared was 63 of which 21 passed with 90% and above, 29 above 80% and 13 above 60%. The school gained cent percent results.

We congratulate these students for their excellent performance and extend warm wishes for their bright future.

Staff :

The most valuable resource that any school can have is its staff.

The school collectively has an enthusiastic and dedicated team of 39 Teachers in the Secondary, the Middle, the Primary. In addition, we have Non-Teaching and Support staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives.

Innovation is the change that unlocks new value that leads to betterment and success.

The School continues to strive towards Innovation and the latest practices in the field of Pedagogy are being continuously incorporated.

The School has signed MoU with the ATL Lab for teaching Robotics, Automation, Drones Etc.

Considering the future Career scenario, we have also recently signed a MoU with the Robotech PVT.

To provide additional teaching, we have

Environment Education

It is a part of the day to day lessons being taught and the aspect is stressed at regular intervals in the Assemblies.

The students of Sanskar Innovative School were proud to be a part of the record in this regard by planting maximum no of Tulsi tree in a day.

The School has a provision of Rain water harvesting as well as other facilities as enumerated below towards its concern for environmental protection:

- (a) Segregation of Water at source and recycling and proper discharge of Waste.
- (b) The School is using energy saving Electrical equipment's.
- (c) The school has a green look with a lot of plantation all around.
- (d) The School also uses Solar energy to its best.

Parents' and Teachers' Association:

A General Body Meeting of parents is held on a regular basis and new members of the PTA were nominated for the year 2023-24.

Since then PTA meetings have been arranged periodically, the PTA members of our school are closely involved in most academic activities. We thank and congratulate them for their support and co-operation through the years.

If you develop a passion for learning you will never cease to grow.

Academic Activities:

Competitions and academic activities that go beyond the text books and the classrooms encourage and foster a healthy and competitive spirit and effective communication skills in the students. The activities are conducted at classroom level, school level and inter-house level. Some of these events are handwriting, essay, speech and slogan writing competitions. Competitions are also held for Poetry recitation, story writing and narration, debate, English and Hindi elocution, GK, and Maths quiz competitions. Prizes are awarded during school assembly.

Science, Maths and English Olympiad are conducted every year and the students perform excellently at the local as well as National level.

“Om mantra” chanting in the morning and evening in the classes is followed as a healthy tradition, Reading Day was made memorable by a book exhibition in the school library. In each class students brought their own books or were given books or magazines to read with the aim to encourage and inculcate the habit of reading.

The school subscribes to various educational and entertainment magazines and periodicals which are available for the students to borrow and read.

Through the school, students are encouraged to subscribe to magazines like Teenager, inspirational quote etc.

Art Integrated Learning has been a hallmark of the school even before the CBSE mandated it as compulsory. An elaborate Art Exhibition is conducted every year which draws a lot of attractions and students willingly contribute to its success.

Value based education is given for self development and personality development. This is done with the aim to inculcate in students values like honesty, gratitude, forgiveness, kindness etc. In addition, throughout the school year, on every working day, assemblies are conducted on a wide variety of value based themes and topics.

Training, Seminars, Orientation and Counseling:

Each academic year, trainings, seminars and orientation programmes are conducted for teachers and students with a dual focus to improve and effectively implement innovative ideas in teaching-learning practices as well as to take the students beyond their current level of learning.

A real teacher is one who realizes that he/she must always be a learner.

In an effort to better themselves, a considerable number of our teachers have acquired degrees in B.Ed, M.Ed as well as other professional degrees in their pursuit of knowledge. Teachers attended online training programme as per the conduct of CBSE- Delhi and also centre of excellence , CBSE- Kakinada, the following are the themes of the webinars which has given scope to the teachers to be enriched .

Co-curricular and Extracurricular activities:

These are an essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in-depth potential of students. The activities are conducted throughout the year.

Some of these events are Fancy Dress Competition, Flower arrangement, card making, Best out of waste, poster making, chart making as well as dance competitions. Food festivals

were also conducted in the Winter carnival. Participation by the students and teachers in these events was very commendable.

A feather has been added to our academic achievement as Aditya Narayana from Grade 10 has secured first position in inter school Elocution competition at Hindi Literary Fest 2024.

Games and Sports Competitions:

When students are physically fit, they will achieve more academically. Games and sports develop a sense of friendliness among the children and also build their team spirit. It helps children to develop mental and physical toughness. Bearing this in mind, the school provides ample opportunities for students to perform regular exercises and yoga, and to play and prove their mettle in various sports and games. Many students have participated in various events like: Athletics, Badminton, Basketball, Karate, Martial Art, Skating etc and have won laurels at the school. Rakshithasree K of Class X are selected for National Level.

Celebrations:

Life is a celebration. We just need persons to celebrate it.

To foster national integration, international understanding, religious and cultural awareness and tolerance, various national, religious and cultural festivals and occasions were celebrated with due pomp and grandeur.
